

SMART HD CCTV Kit

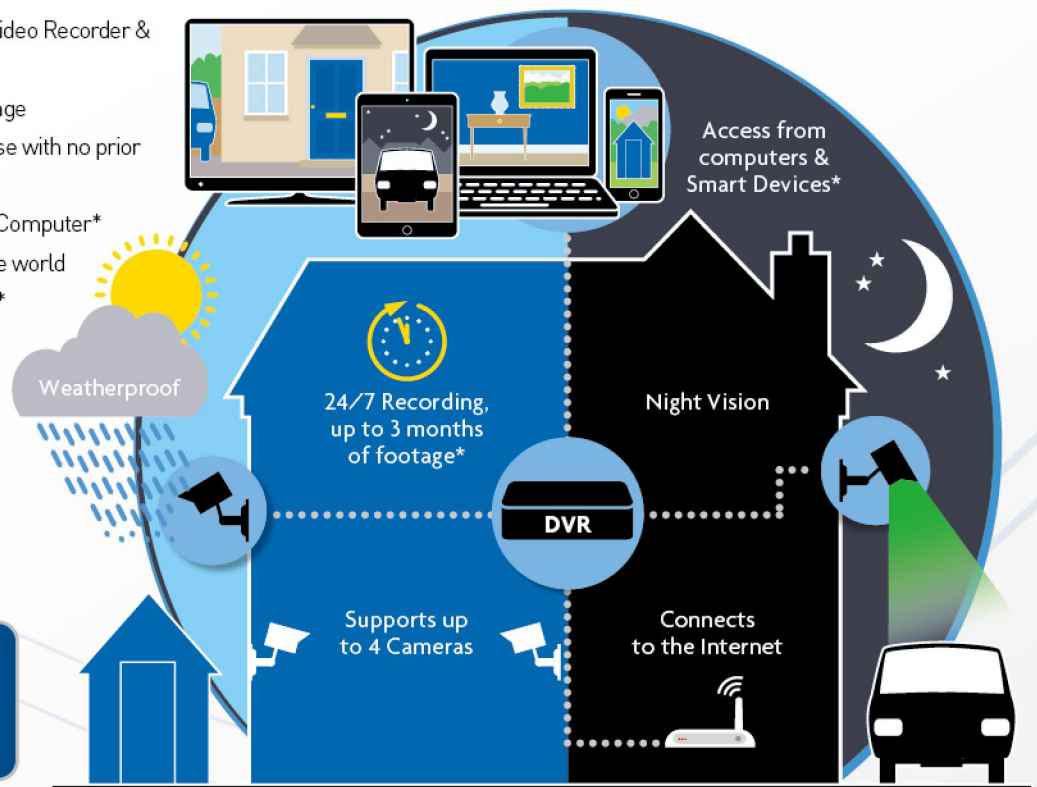

Installing this HomeGuard Smart HD CCTV Kit could be the most effective step you ever take to secure your home or business. It will help to protect against criminal activity and actively deter criminals from targeting your property. Capturing superb, high quality, 720p HD footage means this HomeGuard Smart HD CCTV Kit can also be relied upon to provide detailed, vital evidence in the event of a crime being committed and protect you against litigation and false accusations. With the ability to view live footage through your phone, tablet, TV or computer, this HomeGuard CCTV kit will offer you peace of mind, wherever you are in the world.

The kit itself is designed specifically for use and installation by those with no prior experience of CCTV systems and just about everything you need to get started is contained in the box. If you need additional help then don't worry, our customer service team is ready and able to assist; simply look us up at homeguardworld.com/support and we'll give you all the help you need.

4	2

SMART HD CCTV Kit

4CH 720p Digital Video Recorder & 2 HD Cameras

How long will my DVR recorder for?*

Hard Disk Size	No. of Camera Recording [720P AHD @ 25 FPS]							
	1	2	3	4	5	6	7	8
500GB	15	7	5	3.5	3	2.5	2	1.5
2TB	60	30	20	15	12	10	8	7
4TB	120	60	40	30	24	20	16	14
6TB	180	90	60	45	36	30	24	21

Recording Time in Days

*Recording times can be increased by reducing down from 25 frames per second (and often this level is not necessary). A sticker on the front of the box identifies the size of the hard disk included in this kit.
