## Protect What Matters Most

### See what's happening 24/7

A plug & play wire-free all-in-one security system that allows you to see and stay connected at any time on your Smartphone and tablet.

### Talk to visitors from anywhere

The camera has a microphone & speaker. Talk back with people near the camera. Scare off intruders or ask the deliveryman to hide the package somewhere safe.

### Detect the heat of people & cars

Smart Detection senses the heat from people, cars and large animals to send you push notifications & trigger video recording to the local hard drive or MicroSD card.

### Protect your home at all times

Small and easy to move around, true plug & play. Enjoy security in minutes with easy installation & no cables needed. Wire-free, worry free.

### Safeguard loved ones, pets & property

The cameras are like another set of eyes allowing you to check in on your family, pets and belongings at any time to see that everything is okay. Gives you peace of mind!
